## NATIONAL SAFETY NEWS

Index to Vol. 79 January-July, 1959

And incorporating the index to The Journal  
of the American Society of Safety Engineers

Compiled by the Library of the National Safety Council

### Abrasive blasting

Respiratory protection. Mar., 96.

### Accident costs

An accountant looks at accident costs (Burch). May, 46.

Attack accident costs in road building. May, 147.

Disability cost (News briefs). Jan., 14.

A look at one state's accidents (Russell). (ASSE Jour., Feb., 7).

Safety gains in 1958, the national accident toll. Mar., 3.

Safeway profit story (Small bus. and assns.). Jan., 42.

\$10,000,000 loss for contractors in 1958 (Small bus. and assns.). May, 24.

Who's responsible? (Off the job). May, 50.

### Accident proneness

Minds and mishaps (Menninger). May, 61.

### Accident records

P & G employees set another world record. Feb., 10.

The sky's the limit (Lambie). May, 18.

See also Awards.

### Accident statistics

The accident barometer. Jan., 12; Feb., 12; May, 30; June, 21.

Catastrophes take fewer lives in 1958. Jan., 98.

A look at one state's accidents (Russell). (ASSE Jour., Feb., 5).

Man days lost from work injuries in 1958, according to U. S. Dept. of Labor statistics (Wire from Washington). Apr., 30.

The national accident fatality toll, 1958. Mar., 3.

Safety gains in 1958. Mar., 3.

U. S. Dept. of Labor statistics on work injuries in 1958 (Wire from Washington). Apr., 30.

Wisconsin sets new goals in occupational safety (Lutz). Feb., 36.

Who's responsible? (Off the job). May, 50.

Why be a statistic? (poem) (Hutzley). (The safety valve). Jan., 10.

See also Specific subject.

### Accident statistics - Methods

Danger--men not working (Off the job). (A reprint from The Telephone News.) Jan., 97.

Medical records. Mar., 254.

NSC helps associations simplify reports (Small bus. and assns.). Feb., 85.

Unsafe acts/conditions--85 to 15 ratio? (Consultation corner). Jan., 56.

### Acetone

Chemical booby traps (Fawcett). Apr., 22.

#### Acids

- Chemical booby traps (Fawcett). Apr., 109.
- Proper hood for perchloric acid (Consultation corner). Jan., 58.

#### Aeronautics

- Air Force, AEC form Life Sciences Working Group to study human factors in nuclear propulsions of aircraft and missiles (Wire from Washington). Mar., 6.
- Airlines' record, 1957 performance second best of all time; Guggenheim Aviation Safety Center cites "gaps" in research. Jan., 93.
- Aviation safety, Federal Airport Act discussion (Wire from Washington). Mar., 6.
- CAB proposes changes in its requirements (Wire from Washington). Feb., 42.
- Electronics at your service (Kulberg). Jan., 118.
- Federal Aviation Agency established new procedures to centralize information on "near-miss" incidents (Wire from Washington). Apr., 94.
- Flying is safer for "week-end warriors" (Jayson). Apr., 72.
- High visibility for planes. Jan., 109.
- High-visibility paint asked (Wire from Washington). Jan., 125.
- In case he lowers the boom. May, 38.
- Power behind the broom (Ehmann). Apr., 24.

#### Air contaminants

- Controlling air-borne bacteria. Mar., 76.
- Table of potential asphyxia hazards. Mar., 94.
- See also Dust; Gases.

#### Air pollution

- Adapt Geiger counter to aid pollution study. May, 156.
- Allied Chemical reveals odor survey results. May, 148.
- Announce program for air pollution meeting. May, 150.
- Cities dirtier (News briefs). Jan., 14.
- Clearing the air (News briefs). Feb., 17.
- Dilution can check air pollution. May, 146.
- National conference on air pollution stressed diseases from "dirty" air (Wire from Washington). Jan., 17.
- Pollution and cancer (News briefs). Jan., 14.

#### Air sampling

- Industrial hygiene instruments, a review of commercially available equipment (Cook). Feb., 32.

#### Alcoholism

- Habituating drugs (Bell). Jan., 82.
- Salvaging the problem drinker (Laughlin). Apr., 52.

#### Alligator shears

- Issue report on alligator shears. May, 94.

#### Alpaugh, E. L.

- Industrial health, abstracts of current literature on occupational hygiene, medicine and nursing. Jan., 50; Apr., 70; May, 44.

#### Amusement parks

- Fun with safety (Small bus. and assns.). Jan., 42.

Andrews, Bill

Diary of a safety engineer (fiction). Jan., 36; Feb., 30; Mar., 7; Apr., 17; May, 39; June, 30.

Asphyxiation

Smoke is deadly. Mar., 237.

Suffocation hazard (News briefs). Jan., 14.

Table of potential asphyxia hazards. Mar., 94.

Associations

Announcement of association award (Small bus. and assns.). May, 24.

FEMA elects officers (Personals). May, 169.

Hygiene Foundation announces appointments (Personals). Jan., 86.

NFPA to meet in Atlantic City. May, 139.

New FEMA directors (Personals). Jan., 90.

Parmalee heads Veterans of Safety (Personals). Jan., 89.

Small business and associations (Baltzer and Curry). Jan., 42; Feb., 85; Apr., 50; May, 24; June, 46.

Atomic power

AEC control of reactor operation (Wire from Washington). Feb., 42.

Additional safeguards for handling nuclear material (Wire from Washington). Jan., 17.

Learning to live with the atom. Mar., 8.

Pinhole camera locates the hot spots. Jan., 78.

Ready for any type of fire. Jan., 96.

TV eyes watch atom at work. Feb., 18.

Attitudes

Attitudes (editorial). (ASSE Jour., May, 17).

Good safety attitudes and how to develop them (Hannaford). June, 22.

To understand behavior, look for the attitudes (Brody). May, 88.

See also Motivation.

Awards

Announcement of association award (Small business and assns.). May, 24.

For distinguished service. Jan., 84; Apr., 86; May, 106; June 18.

Hoffman award won by James Stannard Baker. May, 148.

Honor where due (editorial). May, 4.

Howard Pyle presents award to Clifford Hood for U. S. Steel. May, 116.

Labor and management point with pride (Hyde). Feb., 27.

Posthumous honor to Herbert F. Reinhard (Small bus. and assns.). Apr., 50.

President's medal. May, 152.

Recognize wives' part in safety records. May, 145.

Something new all the time (Small bus. and assns.). June, 46.

See also Contests.

Back problems

A new look at sore backs (Rush). Apr., 60.

Bacteria

Controlling air-borne bacteria. Mar., 76.

Baltzer, A.M. and John T. Curry.

Small business and associations. Jan., 42; Feb., 85; Apr., 50; May, 24; June, 46.

Barron, J. Lloyd

Where does sanitation belong? Feb., 24.

Bell, R. G.

Habituating drugs. Jan., 82.

Belts - Safety

Recommendations for auto seat belts. Mar., 175.

Safety belts and harnesses for routine and emergency use. Mar., 148.

Beryllium

Beryllium dust (News briefs). Jan., 14.

Machining beryllium (Kent). Feb., 28.

Bloch, Peter K.

Ultrasonic detectives. Feb., 20.

Boats and boats trailers

Beat boat hazard (Ideas that worked). Apr., 34.

Boating is a big business...some statistics and case histories (Off the job). June, 56.

Map program for safer boating. Jan., 72.

New accident-reporting program for motorboats or pleasure craft (Wire from Washington). Apr., 94.

What you should know about boat trailers (fact sheet). May, 31.

Book reviews

American Foundrymen's Society

Foundry noise manual. Jan., 80.

Bittel, Lester R.

What every supervisor should know. May, 96.

Bonadio, Gustave E.

Fire hydraulics. Apr., 82.

Conover, H. S.

Grounds maintenance handbook. Feb., 58.

Factory Mutual Engineering Division, McGraw-Hill.

Handbook of industrial loss prevention. Mar., 112.

Hanna, Lester W.

Hanna's handbook of agricultural chemicals, second edition. Mar., 112.

Hopkins, Edward Scott and William H. Schultze

The practice of sanitation. Jan., 80.

McKaig, Thomas H.

Field inspection of building construction. Apr., 82.

Stewart, Oliver

Danger in the air. Jan., 80.

Thienes, C. H.

Clinical toxicology. Apr., 82.

Ware Brothers Company

Farm chemicals handbook. Apr., 82.

Whiting, Charles S.

Creative thinking. Feb., 58.

Boranes

Toxicology of boranes (Industrial health). May, 44.

Brody, Leon

To understand behavior, look for the attitudes. May, 88.

Brooks, Charles M.

Working in the shadows. June, 44.

Buckmaster, L. S.

With us safety is a bread and butter issue. Jan., 28.

Burch, Paul J.

An accountant looks at accident costs. May, 46.

Bulletin boards

Howard Pyle and Harold E. Fellows examine Stop Accidents display. May, 100.

Lines of safety communication. Mar., 259.

Royal Order of the Glass Eye (Ideas that worked). June, 32.

Stop and go reporting board (Ideas that worked). June, 33.

Byrne, Walter J.

An engineering approach to safety in materials handling. (ASSE Jour., May, 25).

Calcium hypochlorite

Chemical booby traps (Fawcett). Apr., 109.

Carbon monoxide

CO testing (News briefs). Jan., 14.

Exhaust purifiers for power trucks. Mar., 193.

Oxygen in resuscitation (DeForest). Apr., 46.

Carbon tetrachloride

New light on industrial poisons. May, 150.

Chains and slings

Chains and slings. Mar., 184.

Handling pipe (Consultation corner). Apr., 12.

Chemical industry

Below the shoulder, hand and arm protection. Mar., 136.

Clean up after work in corrosive atmospheres. Mar., 172.

Clothing that protects. Mar., 135.

A single garment or a whole outfit (chart). Mar., 132.

See also Labeling of chemicals.

Chemicals

Chemical booby traps (Fawcett). Apr., 22.

Habituating drugs (Bell). Jan., 82.

Need more knowledge about toxic exposure. June, 62.

New light on industrial poisons. May, 151.

Respiratory protection--table of potential asphyxia hazards. Mar., 94.

Rodent and insect control. Mar., 53.

See also specific chemical

Chlorinated hydrocarbons

New light on industrial poisons. May, 150.

Chlorobromomethane

Extinguishing fires with chlorobromomethane (Consultation corner).  
Mar., 173.

Chloroform

Chloroform intoxication (Industrial health abstract). Jan., 50.

Clair, Robert

Classifying accident causes and evaluating prevention activities. (ASSE Jour., Feb., 13).

Clothing, see Personal protective equipment.

Cobalt 60

The latest in hot labs. Jan., 73.  
Ship spent atomic fuel in lead-shielded casks. Jan., 92.

Colleges and universities

Announce conference on Campus Safety at East Lansing, Michigan. Apr., 111.  
Cornell-Guggenheim Aviation Center reports airlines' record, 1957  
performance second best of all time. Jan., 93.  
Fellowship announced at M.S.U. (Around the compass). May, 55.  
Harvard University group studies accident causes. (ASSE Jour., May 17)  
State traffic management course held (Around the compass). Apr., 91.

Color

Colored clothing code (News briefs). Jan., 14.  
Guarding the machine. Mar., 196.  
High visibility for planes. Jan., 109.  
High visibility hat (Ideas that worked). Apr., 34.  
Identification of piping by color. May, 140.  
Placing fire extinguishers. Mar., 239.  
Signs of safety, they warn and instruct. Mar., 260.  
Types of gas masks, identifying colors and uses. Mar., 93.  
What color can do (includes marking physical hazards and identifying  
equipment). Mar., 29.

Committees (safety)

Labor and management point with pride (Hyde). Feb., 26.  
With us safety is a bread and butter issue (Buckmaster). Jan., 28.

Community safety councils

Activity increased at state level (Around the compass). Apr., 9.  
Appraisal report accepted, new officers elected (Around the compass).  
Jan., 44.  
Appraisal reports being prepared (Around the compass). Apr., 9.  
Around the compass (activities, programs, events) (Lofgren). Jan., 44;  
Feb., 88; Apr., 9; May, 55; June, 50.  
Fund raising publication prepared (Around the compass). May, 55.  
Managers attend regional meetings (Around the compass). June, 50.  
New managers visit NSC headquarters (Around the compass). Apr., 90.  
Seventeen attend Managers' Institute (Around the compass). Jan., 44.

Community Safety Councils - Cities, counties, states

Chattanooga -- Eugene Glaze becomes executive director of the Safety Council of the Chattanooga Chamber of Commerce (Around the compass). Feb., 88.

Kansas City, Mo. -- Kansas City council slates off job contest (Around the compass). Apr., 91.

Memphis-Shelby -- Changes in Memphis and Chattanooga (Around the compass). Feb., 88.

New York -- Dates for New York Safety Conferences. Apr., 62.

North Dakota -- North Dakota holds school conference (Around the compass). Jan., 46.

Wisconsin -- Wisconsin Council buys youth kits (Around the compass). Jan., 46.

Conferences

Coming events in the field of safety. Jan., 60; Feb., 94; Apr., 79; May, 143; June, 92.

Cooperage convention (Small bus. and assns.). Jan., 42.

Dates for New York Safety Conferences, 1959-1965. Apr., 62.

Fun with safety (Small bus. and assns.). Jan., 42.
